

DEMONSTRATION OF PROPOSED FEATURES

Interactive Feature Validation Guide

1. Features to Showcase

- **Target Concept Preview**: Displays selected reference concepts from SQLite with dynamic definition previews.
- **Interactive Audio Player**: Allows playback of uploaded student responses.
- **Four-Column Scoring Dashboard**: Displays Overall Score, Semantic Similarity %, Silence %, and Fluency Ratio in custom cards.
- **Side-by-Side Content Comparison**: Compares candidate transcription with the reference concept side-by-side.
- **Historical Database CRUD**: Demonstrates full database CRUD functionality (view, download, delete past runs).
