

PROJECT DEMONSTRATION SCRIPT & PLAN

Detailed Demo Step-by-Step Script

1. Step-by-Step Demo Script

1. **Concept Selection**: Select 'Newton's First Law of Motion' from the dropdown and preview the reference text.
2. **Audio Upload**: Upload `15b1b2c9697a4339b31379b2956af4b9\_OSR\_us\_000\_0010\_8k.wav`.
3. **Analysis Execution**: Click 'Analyze Response'. The progress spinner updates through transcribing, similarity matching, acoustic analysis, and PDF generation.
4. **Dashboard Review**: Review the metrics, diagnostic notes, and side-by-side text comparisons.
5. **Report Download**: Click the download button and open the PDF report.
6. **CRUD Check**: Navigate to the History tab, verify the run is logged, and delete a past record to verify database integration.
